Subject: Opposition to Potential Land Use Code Changes

To: <charlotte.anderson@pitkincounty.com>

Hi Pitkin County Commissioners,

I am an Aspen homeowner and run a local business. I am strongly opposed to the Land Use Code Changes as I believe they would be highly detrimental to our local community. By limiting development in this way, Pitkin County would increase the premium on existing large homes which would make the county even more unaffordable for most residents. This change would result in Aspen increasingly just being a vacation home town instead of a full-time community and would have significant negative effects. Please feel free to call me if you have any questions or want to discuss further.

Best Regards,
Brad Hathaway
