

## PLAN ELEMENT: **COMMUNITY & ECONOMIC HEALTH**

Please review Goals and Measures of Success in preparation for 1/15 Workgroup Meeting

### **GOAL** (for review 1/15):

*Pitkin County is a healthy, balanced, and inclusive place with an economy that supports a sustainable, year-round quality of life.*

### **MEASURES OF SUCCESS** (for review 1/15):

- *Improved sense of belonging and connection for our community's workforce, residents, and visitors.*
- *More community members are able to establish roots, raise a family, make strong connections, and age in their community.*
- *More of the Pitkin County workforce have the opportunity to live in Pitkin County.*
- *Increased access to community resources including healthcare, mental health services, education, public safety, housing, recreation and cultural activities.*
- *Increased support for community-oriented businesses including local food production and services.*
